

PFG's Concrete Curing Materials are lower in cost and easier to install!

	PFG	Others	Advantage
Installation Time			
Max Width	126"	96"	PFG installs faster
Basis Weight	2.75 osy	3.85 osy	PFG is lighter and easier to install
Roll Quantity	4,000 Sq. Ft.	1,600 Sq. Ft.	Less roll handling improves installation
Installation Cost	Lower	Higher	Time is money; PFG installs faster
Blanket Absorbency	850%	646%	PFG's absorbs more water keeping concrete properly hydrated
Dry Tensile Strength	25 Lbs.	18 Lbs	PFG's blanket will not tear during installation
Wet Tensile Strength	23 Lbs.	16 Lbs.	PFG's blanket will not lint pulp onto concrete like others
Blanket Mullen Burst	31 Lbs.	25 Lbs	PFG's blanket resist puncturing to maintain proper hydration
Patented Bubble Buster	Yes	N/A	PFG's patented technology to prevent bubbles and concrete discoloration
